**HIGH HOPES FOR HAITI**  
**FO U N D A T I O N**

On **March 21, 2026**, we will host our 3<sup>rd</sup> annual *Celebration of Hope* at The Englewood Hershey to benefit the poorest of the poor children in Haiti. **We are excited to celebrate the 25<sup>th</sup> anniversary of our primary school, Les Bons Samaritains**, and to share with the community the memorable moments from our schools and the successes of our students, even amidst the country's ongoing economic and political challenges.

**We would greatly appreciate your support!**

**We anticipate another sold-out event this year**, hosting 150 guests from the South-Central Pennsylvania area who share the vision of our organization and **we would love to be able to feature you or your business at the event!** On the following page, you'll find more information about our sponsorship opportunities.

The Mortel HHH Foundation has been able to cultivate hope in Haiti by building and operating schools, providing meals and health care to the poorest of Haiti's children and adults who would otherwise not have the chance to be fed or educated. The country continues to face desperate circumstances due to unprecedeted gang violence and food scarcity. These children and families need help more than ever.

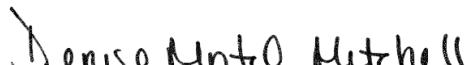

**Would you consider donating to support our event? We can't do this without you!**

Thank you for your consideration. Please know that your contribution is very much appreciated by the students in Haiti whose lives are changed by this opportunity! Contributions can be sent to The Mortel HHH Foundation, P.O. Box 405, Hershey, PA 17033.

We look forward to featuring you as a sponsor for this event as we work together to provide a quality education to the poor in Haiti for another 25 years and continue the legacy of our founder, Dr. Mortel!

Most Sincerely,

  
Denise Mortel Mitchell  
President
