HIGH HOPES FOR HAITI
— F O U N D A T I O N —

On October 22, 2022, we will host a **Crab Feast for Haiti** in Cockeysville, Maryland with the proceeds to benefit the poorest of the poor children in Haiti. The event this year will be focused on paying tribute to and honoring the life of our charismatic and inspiring founder, Dr. Rod Mortel, who passed away this past April.

We would greatly appreciate your support!

We anticipate hosting 150 guests from around Maryland and Pennsylvania who share the vision of this organization and **we would love to be able to feature your business at the event!** On the following page, you'll find more information about our sponsorship opportunities. We truly can't do this without you!

Through the generous support of businesses and organizations like yours, the Mortel High Hopes for Haiti Foundation has been feeding and educating hundreds of the poorest children in the Saint Marc region of Haiti for over 20 years! With your help and with the help of our supporters, nearly 1300 students each year are equipped with the tools needed to overcome poverty. We need your help for this year's Crab Feast to raise awareness and increase support for each of the students we welcome into our school gates, a place that really does serve as an oasis from the daily struggles that permeate Haiti.

Thank you for your consideration. Please know that your contribution is very much appreciated by the students in Haiti whose lives are changed by this opportunity! Contributions can be sent to The Mortel HHH Foundation, P.O. Box 405, Hershey, PA 17033.

We look forward to featuring you as a sponsor for this event as we work together to provide quality education to the poor in Haiti for another 20 years and continue the legacy of our founder, Dr. Mortel!

Most Sincerely,

Denise Mortel Mitchell
President
