

— M O R T E L —  
**HIGH HOPES FOR HAITI**  
— F O U N D A T I O N —

On September 27, 2025, we will host our 7<sup>th</sup> Annual **Crab Feast for Haiti** in Baltimore, Maryland with the proceeds to benefit the poorest of the poor children in Haiti. The event this year will provide a chance to raise funds to feed and educate children in Haiti during another difficult year for the country, plagued with political instability and gang violence.

**We would greatly appreciate your support!**

We anticipate hosting 150 guests from around Maryland and Pennsylvania who share the vision of this organization and **we would love to be able to feature you and/or your business at the event!** On the following page, you'll find more information about our sponsorship opportunities.

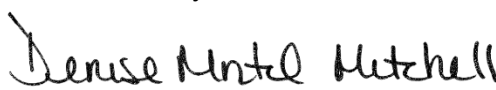

The Mortel HHH Foundation cultivates hope in Haiti by building and operating schools, providing meals and health care to the poorest of Haiti's children and adults who would otherwise not have the chance to be fed or educated. The country is in especially dire circumstances with prolonged gang violence and food scarcity, and these children and families need help more than ever. It is our hope that with this year's crab feast fundraiser, we can increase support for each of the students we welcome into our school gates while encouraging our teachers and staff during a time when Haiti is especially troubled.

**Would you consider donating to support our event?** We truly can't do this without you!

Thank you for your consideration. Please know that your contribution is very much appreciated by the students in Haiti whose lives are changed by this opportunity! Contributions can be sent to The Mortel HHH Foundation, P.O. Box 405, Hershey, PA 17033.

We look forward to featuring you as a sponsor for this event as we work together to provide quality education to the poor in Haiti and continue the legacy of our founder, Dr. Mortel!

Most Sincerely,

  
Denise Mortel Mitchell  
*President*

**Last year's proceeds provided food and water for over 300 students!**
