HIGH HOPES FOR HAITI
— F O U N D A T I O N —

On October 3, 2026, we will host our Annual **Crab Feast for Haiti** in Baltimore, Maryland. Now in its eighth year, this signature fundraising event brings together supporters from around Maryland and Pennsylvania who share a commitment to changing lives in Haiti. This year's event will raise funds to feed and educate children in Haiti during another difficult year for the country, plagued by political instability and continued gang violence.

We would greatly appreciate your support!

We anticipate welcoming 150 guests from throughout Maryland and Pennsylvania and **we would be honored to feature you and/or your business at the event!** On the following page, you'll find more information about our sponsorship opportunities.

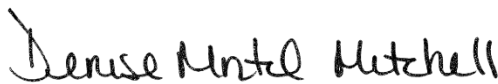

The Mortel HHH Foundation cultivates hope in Haiti by operating schools and providing meals and health care to Haiti's most vulnerable children and adults. Haiti continues to face especially difficult circumstances due to prolonged gang violence and food scarcity, and these children and families need help more than ever. Through this year's Crab Feast, we hope to increase support for every student who enters our school gates while also encouraging our teachers and staff during this challenging time.

Would you consider donating to support our event? We truly can't do this without you!

Thank you for your consideration. Please know that your contribution will be deeply appreciated by the students in Haiti whose lives are changed through this opportunity! Contributions can be made online or mailed to The Mortel HHH Foundation, P.O. Box 405, Hershey, PA 17033.

We look forward to featuring you as a sponsor for this event as we work together to provide quality education to the poor in Haiti and continue the legacy of our founder, Dr. Mortel!

Most Sincerely,

Denise Mortel Mitchell
President

Last year's proceeds provided food and water for over 300 students!
